

# Arnoldia

ARNOLDIA started in November 1991 as a series mainly to publish the labels and annotations of the exsiccatae distributed by the Botanische Staatssammlung München (references see [DALI](#)). The name is given in memory of [Ferdinand Christian Gustav Arnold](#) (1828–1901).

## Exsiccatae published in ARNOLDIA

- [F. Schuhwerk, Cormophyta Exsiccata](#)
- [D. Triebel, Microfungi Exsiccati](#)
- H. Hertel, Lecideaceae Exsiccatae
- V. John, Lichenes Anatolici Exsiccati

The authors will be grateful to get annotations or redeterminations of specimens distributed in their exsiccatae, which will be published in this series.
